DESCRIPTION

Men's softshell with a classic cut, designed for lightweight protection and everyday comfort. Made from a 2-layer softshell (94% polyester, 6% elastane) with a PFC-free water-repellent treatment and a microfleece lining, it gives thermal comfort without bulk. The officer collar and full-length zip with storm flap shield against wind, while zipped side pockets secure essentials. Available in several colours including Black, French Navy and Iron Grey, and in sizes XS to 3XL.

Practical details such as clean seams and a storm flap behind the main zip improve weather resistance. The stretchy fabric allows freedom of movement and the tailored sleeve and hem finishes reduce drafts — suitable for commuting and light outdoor activity. The garment presents a neat, professional silhouette that holds up to regular use.

This garment is ideal as a personalised softshell for companies, sports clubs, associations or events. It can be customised from one piece using embroidery, screen printing, MSO transfer, DTF printing or flex. Our graphic studio can retouch or vectorise your logo to ensure a crisp print or stitch.
