DESCRIPTION

Compact USB stick in ABS with a swivelling metal cover and moulded plastic body, designed for everyday use. The rotating metal cover protects the USB connector without a separate cap, and there is a loop at the end for attaching to a keyring. At 55 x 19 x 10 mm it's portable and pocket-friendly. Main material: ABS; care is limited to wiping with a dry or slightly damp cloth.

The stick features a smooth finish and rounded edges for comfortable handling. The metal swivel offers robust protection and a controlled movement to prevent accidental exposure of the connector. Available in several colours such as Black, Blue, Red to suit various campaigns.

This personalised USB stick is available from a minimum order of 50 pieces (colours and sizes combined). Customisation techniques: digital printing, doming, laser engraving, pad printing. Ideal for businesses, events, schools and associations — we provide a free quote within 24 hours on weekdays and a graphic studio to finalise your logo.
