Techmate. USB flash 16GB

Ref. 1001c

Reference	1001c
Composition	ABS
Material	ABS
Average weight	0.018
Dimensions	55 x 19 x 10 MM
Country of origin	China
Carton	500 pieces

DESCRIPTION

Compact 16 GB USB flash drive in ABS with a rotating metal cover that protects the connector and an attachment loop for keyrings. At 55 x 19 x 10 mm it is convenient for giveaways, trade shows and everyday corporate use and connects to any USB 2.0 port.

The design pairs a moulded plastic body with a swivel metal sheath, eliminating a separate cap and reducing the risk of loss while providing solid protection during regular handling. Material: ABS. The product comes in several colour options.

This personalised USB flash drive is available from a minimum order of 250 pieces (colours and sizes combined) and cannot be ordered per piece. Customisation techniques offered include digital printing, doming, laser engraving and pad printing (tampography). Well suited to companies, clubs, associations and event giveaways. Free quotes within 24 hours on weekdays; our studio can vectorise or retouch your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
