Country of origin	Chine
Carton	42 pieces

DESCRIPTION

The Mojave 250 ml thermal mug keeps hot drinks warmer for longer thanks to its stainless steel and PP plastic construction. Its clean, elegant design makes any logo stand out, while the screw lid allows smooth opening and secure closing for easy drinking. The mug is corrosion-resistant and easy to clean, making it suited to the office, travel or event use. Care is straightforward and appropriate for stainless steel and PP materials.

Offer a custom / personalised mug with logo for businesses, clubs, associations, schools, events and private customers. Personalisation is available by laser engraving or tampography depending on the finish required; our studio can prepare and vectorise your logo for production. Free quotes provided.
