## DESCRIPTION

The Santos ceramic mug 330 ml is a standard unisex mug designed for everyday use at the office or at home. Made of ceramic, it holds up to 330 ml of hot beverages and offers a smooth, easy-care surface. It comes in several colours (for example Black, Blue, Red) and is dishwasher-safe to EN12875-1 for at least 125 washes.

Its classic shape provides a comfortable grip and straightforward maintenance. With no complex fittings, the mug is robust and practical for daily use, corporate kitchens, events or retail sale.

The mug can be personalised from a single piece using object-friendly techniques: tampography, screen printing and digital printing. It is suitable for companies, clubs, associations and individuals looking for a personalised mug for promotion, gifting or event use.
