DESCRIPTION

The custom Thor bottle with logo is a stainless steel bottle featuring vacuum insulation and a copper layer to keep drinks hot for 12 hours and cold for 48 hours while preventing exterior condensation. It holds 650 ml, has a wide opening ideal for ice cubes, a screw steel lid and a steel loop for secure carrying. The finish is durable and it is presented in an Avenue gift box.

Personalised Thor bottle with logo options include laser engraving, pad printing, object screen printing and digital printing. Perfect for companies, sports clubs, associations, events and private customers. Our studio can retouch or vectorise your logo, with free quotes on weekdays and choices for workshop collection or delivery.
