DESCRIPTION

The Survivor waterproof outdoor bag protects your belongings during outdoor activities. Made from 190T polyester, its roll-top closure with plastic buckle keeps contents dry and secure while remaining lightweight. With a closed capacity of 5 litres it carries essentials without bulk and easily attaches to a backpack or belt, making it suitable for hiking, water-based activities or a day by the water. For care, wiping with a sponge is usually sufficient to remove dirt and residues.

Perfect for companies, sports clubs, associations, events and private customers. No minimum order (from 1 piece), free quote within 24 hours on weekdays.
