DESCRIPTION

The bicolour Sun Ray sunglasses feature a retro cut with a bright inner finish and black tinted category 3 lenses, providing UV400 protection in line with EN ISO 12312-1. Made from PC plastic, they remain lightweight and suitable for outdoor and leisure use; care is limited to gently cleaning the lenses and frame with a soft cloth. The two-tone design adds a stylish look while keeping practical sun protection.

We offer custom / personalised sunglasses with logo using tampography or digital printing, chosen for the desired position and finish. Ideal for companies, sports clubs, associations, events or private individuals seeking a distinctive promotional item. Free quotes and options for collection at our Evere studio or delivery are available on request.
