DESCRIPTION

Stainless steel 330 ml insulated tumbler with double-wall vacuum construction to help keep drinks hot or cold for longer. The transparent lid with sliding closure lets you use the tumbler as a cup or travel mug, offering a comfortable grip and easy maintenance thanks to the durable, easy-to-clean stainless steel. Its versatile shape fits standard cup holders and suits everyday use at the office, on the move or during breaks.

We offer a custom / personalised stainless steel insulated tumbler with logo using tampography, laser engraving or digital printing — techniques well suited to stainless steel. Ideal for companies, sports clubs, associations, events or private customers seeking a practical, long-lasting promotional item. Free quote within 24 hours on weekdays, no minimum order and option to collect or have it delivered.
