DESCRIPTION

This 380 ml Lagom vacuum-insulated cup with a copper layer is a compact, durable travel companion. Made from stainless steel with a double wall and copper insulation, it prevents condensation and helps keep drinks at temperature. The leak-proof lid opens by press action for easy use, and the cup is presented in an Avenue gift box. Its ergonomic shape ensures a comfortable grip and the stainless steel construction makes maintenance straightforward.

Offer this custom 380 ml Lagom vacuum-insulated cup with logo using tampography, laser engraving, object screen printing or digital printing. Perfect for companies, sports clubs, associations, events and individuals. Our design studio can retouch or vectorise your logo and the marking is itemised in the quote, with no minimum order.
