Country of origin	Chine
Carton	24 pieces

DESCRIPTION

custom / personalised vacuum-insulated cup with logo: stainless steel double-wall cup with a copper insulation layer that keeps drinks cold up to 24 hours and hot for at least 8 hours. The design prevents external condensation and includes a screw-on sealing lid. Durable powder coating and presented in an Avenue gift box. 360 ml capacity, sturdy finish and a practical shape suitable for daily use at work, on the go or at events.

Customise this custom / personalised vacuum-insulated cup with logo using tampography or laser engraving for a professional finish. Ideal for businesses, sports clubs, associations, schools, youth movements, events and individuals. Our graphic studio can prepare or vectorise your logo to ensure optimal marking by print or engraving.
