Dimensions	15,95 x Ø 8,15 cm
Country of origin	Chine
Carton	24 pieces

DESCRIPTION

The Jetta 330 ml tumbler combines practical design with insulation: vacuum insulated with a copper layer and double walls to keep drinks hot or cold for hours. Constructed from 18/8 stainless steel and PP plastic, it fits most coffee machines and car cup holders. BPA-free and tested to German food safety (LFGB) and REACH for phthalates, it arrives in a recycled cardboard gift box. Hand washing is recommended to preserve the finish and insulating performance. Capacity 330 ml.

Order a custom / personalised tumbler with logo using our techniques: object screen printing, digital printing, laser engraving or pad printing. Ideal for companies, sports clubs, associations, events and private customers seeking a useful, branded item. Our studio can retouch or vectorise your logo and provides a free quote on weekdays.
