DESCRIPTION

Double-walled 18/8 stainless steel tumbler with vacuum insulation and a copper layer, designed to keep hot or cold drinks at temperature. It features a screw-on leakproof lid and an intricate geometric design, with a 450 ml capacity. BPA-free and tested to German LFGB food safety standards and REACH for phthalates. Hand washing recommended. Supplied in a recycled cardboard gift box. This custom / personalised tumbler with logo combines functionality and style for daily use and travel.

Customisation available by digital printing, object screen printing, laser engraving or pad printing. Ideal for companies, sports clubs, associations, events and private individuals seeking a custom / personalised tumbler with logo. Our in-house studio can retouch or vectorise your logo; free weekday quotes and production per our terms.
