DESCRIPTION

The CamelBak® Horizon 600 ml tumbler is a stainless steel, double-walled vacuum-insulated cup designed to keep drinks at the desired temperature. The tri-mode lid with spill-resistant function controls flow, the silicone base prevents slipping and the durable powder coating reduces wear. A wide opening makes filling and cleaning easy. BPA, BPS and BPF free, it also minimises external condensation and comes with a lifetime warranty against manufacturing defects.

This custom / personalised tumbler with logo can be marked by object screen printing, digital printing, pad printing or laser engraving. Ideal for companies, sports clubs, associations, events and private customers who want a personalised tumbler; free quote within 24 hours on weekdays and options for collection in Evere or delivery in Belgium, France and Luxembourg.
