DESCRIPTION

The CamelBak® Horizon 350 ml camping tumbler is designed for outdoor use and everyday convenience. Constructed from stainless steel with double-wall vacuum insulation, it keeps drinks hot or cold for the durations stated by the manufacturer. The tri-mode, anti-spill lid gives controlled flow. A durable powder coating prevents exterior condensation and the wide opening makes filling and cleaning easier. It features an anti-slip silicone base and is free from BPA, BPS and BPF. Durable and practical for camping and travel.

Offer a custom / personalised tumbler with logo — the Horizon 350 ml is ideal for businesses, sports clubs, associations, events and private customers. Personalisation available by Sérigraphie objet, Tampographie or Gravure laser, with our in-house graphic studio to refine or vectorise your logo. No minimum order and free quotes on weekdays.
