The custom / personalised 500 ml Ocean Bottle with logo is a vacuum-insulated bottle made largely from recycled stainless steel, designed to keep drinks hot or cold for extended periods. The bottle is dishwasher-safe, BPA-free and incorporates an NFC chip and recycled plastics to help reduce ocean-bound plastic.

Personalisation is available by laser engraving to apply your logo or message neatly to the bottle. Perfect for companies, sports clubs, associations, schools, youth movements, events and individuals. No minimum order (from 1 piece), free quote within 24 hours on weekdays and a graphic studio to retouch or vectorise your logo; collection at our Evere workshop or delivery across Belgium, France and Luxembourg.
