DESCRIPTION

The Ocean Bottle 350 ml infusion bottle combines recycled materials — recycled stainless steel, recycled PET and silicone — with a practical, travel-friendly design. Its double-wall recycled stainless steel insulation keeps hot drinks warm and the 360° lid allows aromas to circulate. An embedded NFC chip supports additional plastic collection with each refill, making the bottle a responsible choice for everyday use while remaining comfortable and easy to carry.

Personalise this custom / personalised infusion bottle with logo using laser engraving or digital printing. Ideal for companies, sports clubs, associations, events and individuals, the bottle can be ordered from a single piece; our studio can retouch or vectorise your logo and we provide a free quote during weekdays.
