DESCRIPTION

The 1,200 ml Stanley Quencher H2.0 tumbler is made from recycled stainless steel, offering a durable, more eco-conscious option for drinks on the go. The FlowState™ lid features three positions for straw use, direct drinking or a fully closed seal; the ergonomic handle and narrow base make it convenient to carry and fit most cup holders. Vacuum insulation helps keep drinks cold and the design is straightforward to maintain for everyday use.

This custom / personalised tumbler with logo can be personalised by digital printing, pad printing (tampography), laser engraving or screen printing on objects. Perfect for companies, sports clubs, associations, events and private customers — our graphic studio can retouch or vectorise your logo. No minimum order and free quotes on weekdays.
