DESCRIPTION

The Hudson double-wall cup in recycled plastic (180 ml) is a practical, simply designed cup that fits most coffee machines and car cup holders. Its double-wall construction provides a comfortable grip and helps insulate hot or cold drinks, while the sliding AS/PP lid reduces spills. Easy to care for, it suits everyday use. Made from recycled plastic, it offers a more responsible choice without compromising convenience.

We offer a custom / personalised Hudson double-wall cup with logo using object screen printing or pad printing. Ideal for companies, sports clubs, associations, events or private customers looking for a useful, recyclable promotional item. No minimum order (from 1 piece), free quote within 24 hours on weekdays; our design studio can rework or vectorise your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
