DESCRIPTION

The silicone Sip straw cap fits securely on straws up to 10 mm in diameter, preventing particles from entering the drink. Made from BPA-free silicone, it provides a soft feel and requires hand washing only. Its compact, discreet design is suitable for picnics, events or everyday use and adds a hygienic finish to reusable straws.

This custom / personalised silicone Sip straw cap with logo is ideal for laser engraving to create a crisp, long-lasting mark. Perfect for companies, sports clubs, associations, schools, youth movements, events and private individuals who want a practical, branded accessory. Our studio can retouch or vectorise your logo and we provide a free weekday quote.
