DESCRIPTION

Enjoy your hot drink on the go with this custom / personalised travel mug with logo, 350 ml, made from stainless steel. Its practical, versatile design features a two-part leakproof lid: use the top lid alone for a more natural drinking feel or keep the lower part in place to reduce splashes. The ergonomic shape fits comfortably in the hand and standard cup holders, offering secure handling and straightforward care thanks to the stainless-steel construction.

Personalise this custom / personalised travel mug with logo using laser engraving, pad printing (tampography), digital printing or object screen printing. Suitable for businesses, sports clubs, associations, events and private customers looking for a useful and distinctive promotional item.
