DESCRIPTION

The IceFlow™ 2.0 1.06-litre water bottle pairs lightweight performance with durability through its composition of recycled stainless steel. Its filament-steel insulation keeps drinks cold for hours, making it suited to workouts, daily commutes or a yoga class. The foldable handle makes carrying effortless, while the flip straw lid with an integrated straw and removable spout enables quick sipping and deep cleaning for consistently fresh-tasting water.

Offer a custom water bottle with logo / personalised water bottle with logo for companies, sports clubs, associations, events or private customers. Personalisation options include digital printing, object screen printing, laser engraving and pad printing. We also provide studio support to prepare logos for high-quality marking.
