## DESCRIPTION

The LARQ PureVis™ 2.0 680 ml water bottle is a stainless steel bottle designed for everyday hydration at work, on the move or outdoors. It features a two-stage filtration system and UV-C purification to improve water quality; the LED in the cap activates automatically and a manual PureVis™ cycle can be started. Long-lasting rechargeable battery via USB-C, detachable carry handle and replaceable filters to maintain performance. Care: keep charged, replace filters as needed and rinse the mouthpiece regularly.

As a custom / personalised water bottle with logo, it can be decorated by digital printing, object screen printing, laser engraving or pad printing. Ideal for companies, sports clubs, associations, events and private individuals seeking a practical, high-tech branded item. Free quote and itemised marking cost provided on request.
