DESCRIPTION

The Mepal Ellipse 375 ml insulated travel mug is made from stainless steel with PP plastic and silicone components, designed for life on the go. It keeps drinks hot or cold thanks to its insulation, is fully leakproof and fits most cup holders. BPA-free for everyday safety and hand wash recommended to preserve the finish. Comfortable to hold and convenient to carry, this mug is ideal for morning coffee and refreshing cold drinks while travelling.

Offer a custom / personalised travel mug with logo using tampography or laser engraving, techniques suited to stainless steel and plastic parts. We serve companies, sports clubs, associations, schools, youth movements, events and individuals. No minimum order (from 1 piece), free quote within 24 hours on weekdays and an in-house design studio to vectorise or refine your logo before marking.
