DESCRIPTION

The Ellipse 500 ml stainless steel water bottle is designed for daily use, commuting and travel. As an insulated bottle it keeps hot drinks up to 12 hours and cold drinks up to 24 hours. It is BPA-free, leak-proof and suitable for carbonated beverages, and it is dishwasher safe for easy care. Made from stainless steel, PP plastic and silicone, it provides a comfortable grip and a neat finish, making it well suited to the office, sports activities or school use.

This custom / personalised water bottle with logo can be marked by tampography, laser engraving or digital printing, depending on the desired look. Ideal for companies, sports clubs, associations, events and private customers to showcase their visual identity.
