DESCRIPTION

The Vasa 500 ml stainless steel bottle is a sleek insulated bottle designed to keep drinks at the right temperature while on the move. Its double wall with vacuum insulation and copper inner lining provides excellent temperature retention (up to 12 hours for hot and 48 hours for cold). The special outer coating and glossy finish lend a premium look, and the silicone cap ensures a secure seal. Supplied in a recycled cardboard gift box, it is easy to care for and durable for everyday use.

This custom / personalised Vasa 500 ml stainless steel bottle with logo is ideal for sublimation, offered by YourVisualHere for photo-quality, long-lasting prints. Perfect for businesses, clubs, associations, events and private individuals seeking a practical, elegant promotional item.
