DESCRIPTION

The Ocean Bottle Peak 710 ml water bottle, made from 77% recycled stainless steel, is a slim, durable bottle with triple insulation to keep drinks hot, cold or iced. It features a leak-proof screw cap, a double opening for easy filling and cleaning, is BPA-free, dishwasher safe and includes NFC technology and a reinforced base. Practical and sustainable, it suits daily use, travel and outdoor activities while offering modular lid options to match different lifestyles.

Offer this custom / personalised water bottle with logo to companies, sports clubs, associations, events or individuals. Customisation techniques available: digital printing, laser engraving, object screen printing and pad printing. Our design studio can retouch or vectorise your logo.
