DESCRIPTION

The Stanley Transit Fliptop travel mug 350 ml is crafted from recycled stainless steel with vacuum double-wall insulation and an ultra-light construction to keep drinks at the right temperature. Its silicone base and lid tab provide quiet opening and a secure grip. Leakproof, dishwasher-safe and compatible with most car cup holders, this mug is practical for commuting, the office or daily use and is easy to maintain for regular wear.

Offer this custom / personalised travel mug with logo using tampography, laser engraving, object screen printing or digital printing. Suitable for companies, sports clubs, associations, events and private customers who want a useful, durable promotional item. Graphic studio available to vectorise or retouch your logo; free weekday quotes.
