DESCRIPTION

The Mepal Ellipse 350 ml insulated coffee mug combines practicality with durable materials: made from 90% recycled stainless steel, it is leakproof and designed to keep drinks hot or cold (see supplier details). Its compact 350 ml capacity fits easily into bags and most cup holders. One-handed use is possible thanks to the 360° drinking rim; it is easy to clean and dishwasher-safe. Note that, due to the recycled material, small marks or colour variations may occur. Insulated mug BPA-free.

This custom / personalised insulated mug with logo is ideal for companies, sports clubs, associations, schools, youth movements and private customers seeking a useful, eco-conscious gift or promotional item. Personalisation options include digital printing, laser engraving and pad printing (tampography), depending on the desired finish. Free weekday quotes and a graphic studio are available to refine or vectorise your logo before production.
