DESCRIPTION

The Archer double-walled plastic cup, 480 ml, is designed to keep your cold drinks insulated longer thanks to its double-wall construction. Made from Tritan, it is lightweight and durable, and features a swivelling lid for secure transport plus a bent food-grade straw for comfortable sipping. Its slim profile fits most standard cup holders and offers a 480 ml capacity, making it convenient for daily use. Practical and user-friendly.

This custom / personalised plastic cup with logo can be decorated by tampography, object screen printing or digital printing to display your logo or message. Perfect for companies, sports clubs, associations, events and private customers looking for promotional items or gifts. Free quotes and a graphic studio are available to prepare your artwork.
