DESCRIPTION

The Stanley Stacking 470 ml insulated cup is built for everyday use at home, on the move or outdoors. Constructed from stainless steel with vacuum double-wall insulation, it helps keep drinks at the right temperature while offering durable performance. The stackable design saves storage space and dishwasher-safe convenience makes cleaning easy. Comfortable to hold and compatible with coordinated bottles and jars in the same range.

This custom / personalised insulated stainless steel cup with logo can be marked by laser engraving, pad printing (tampography) or digital printing. Suitable for companies, sports clubs, associations, events and private gifts. Our studio can retouch or vectorise your logo. No minimum order and free weekday quotes.
