DESCRIPTION

The MiiR insulated tumbler 354 ml features a clean silhouette and a durable thermolacquered finish on high-grade 18/8 stainless steel. Its Thermo 3D® double-wall vacuum insulation preserves the temperature of hot or cold drinks, while the compact size fits most cup holders. It comes with a sliding snap-fit lid to reduce spills, or optionally a snap-fit straw lid for extra convenience. The lid is dishwasher-safe on the top rack, making cleaning straightforward.

This custom / personalised insulated tumbler with logo can be decorated by digital printing, laser engraving or pad printing. Suitable for companies, sports clubs, associations, events and individuals, it provides a practical, brandable item for promotions, gifts or everyday use.
