DESCRIPTION

The Hydro Flask Micro Hydro™ 200 ml mini insulated cup is designed to keep hot or cold drinks at the right temperature while you're on the move. Its ultra-compact size fits easily into a pocket, lunchbox or bag, combining everyday convenience with the strength of stainless steel. The leakproof design and double-wall insulation provide comfortable, hygienic daily use and a minimalist look that suits any setting. Care is straightforward: rinse with warm water and air-dry; avoid harsh chemicals to maintain the finish.

Order a custom / personalised mini insulated cup with logo using laser engraving, pad printing (tampography) or digital printing. Perfect for companies, sports clubs, associations, events and individuals who want a practical, durable branded item. Free quote and in-house graphic studio available to vectorise or retouch your logo; no minimum order, collection in Evere or delivery in Belgium, France and Luxembourg.
