DESCRIPTION

The Gerlos rollerclip keyring is a practical accessory for offices, trade shows, conferences and even ski slopes. Made from durable ABS plastic, it features a sturdy carabiner and a 60 cm cord that makes it easy to attach, display and stow a badge quickly. Its compact design ensures comfortable everyday use and simple care — a wipe with a damp cloth is normally enough to keep it clean. A reliable choice when you need a robust, functional item.

This custom / personalised keyring with logo can be decorated using several marking techniques: tampography, object screen printing, digital printing and doming. Suitable for businesses, sports clubs, associations, schools, events and private customers looking for a useful promotional item.
