Reference	104097
Composition	Plastique ABS
Material	Plastique ABS
Average weight	21
Dimensions	13,5 x 2,5 x 1 cm
Country of origin	Chine
Carton	400 pieces

DESCRIPTION

This personalised pocket knife is a compact plastic utility cutter with an automatic retractable blade, designed for everyday tasks such as cutting cardboard, paper and packaging. Its slim profile and lightweight construction make it easy to handle and store. The translucent body reveals the internal mechanism while keeping maintenance minimal — a wipe with a damp cloth is usually sufficient.

The visible black ribbed slider controls blade extension and retraction safely, and a triangular loop at the end allows attachment to a cord or carabiner. When retracted the blade sits neatly inside the housing to reduce accidental exposure, making it convenient to carry in a toolbox or pouch.

This item can be personalised from one piece and suits companies, clubs, associations, events and private customers looking for a practical branded item. We provide tampography, screen printing, digital printing on objects and DTF printing to apply your logo or message. Personalised pocket knife offered on a wide range of products; free quote within 24 hours on weekdays.
