DESCRIPTION

The custom / personalised Pitlane window-breaking hammer with logo is a compact safety tool designed for vehicle emergencies. The handle is made of ABS plastic and includes a wrist strap for secure grip, an integrated seatbelt cutter and two tempered steel tips to break a window if needed. Easy to maintain with a damp cloth, it is lightweight and convenient to store in the cabin, providing a practical means to escape quickly in dangerous situations.

Personalise this custom / personalised Pitlane window-breaking hammer with logo using tampography or digital printing to add a company logo, text or pictogram. Suited to businesses, sports clubs, associations, schools, events and private customers who want to combine safety with brand visibility. No minimum order, free weekday quotes and an in-house design studio available to adjust your logo.
