## DESCRIPTION

This 5-in-1 parking disc is a practical, compact car accessory for everyday use. Made from durable plastic with a slim, rigid profile, it fits easily into glove compartments or door pockets. The disc displays the hour of arrival in several languages and is straightforward for drivers to operate.

Beyond the time indicator, the disc includes a scraper, a squeegee, a trolley token and a tyre-wear indicator, combining several handy functions in one item. The reverse side features a large white area prepared for visible branding. The disc is offered in several colours, for example blue, red or black.

The item can be personalised from a single piece and is suitable for companies, clubs, events or private individuals looking for a useful promotional object. Printing options include tampon printing, screen printing, digital printing and transfers. Free quote within 24 hours on weekdays; collect at our Evere workshop or delivery to Belgium, France and Luxembourg.
