DESCRIPTION

The compact, foldable 19-piece Flint tool kit is a practical choice as a custom / personalised 19-piece Flint tool kit with logo, featuring a carabiner for easy storage. Constructed from 600D polyester and PU plastic, the kit is durable and simple to clean by wiping. It includes common essentials—sockets, screwdriver bits, an extension and hex key sets—packaged in a compact layout that fits into a bag or can be hung up. Its portability and straightforward design make it useful for quick repairs, light DIY tasks and on-the-go use.

Branding is available using screen printing on items (sérigraphie objet) to apply your logo or message. Ideal for businesses, sports clubs, associations, events and private individuals. Our studio can edit or vectorise your logo to ensure a crisp print on the polyester surface.
