DESCRIPTION

Small and practical, the Mini torch with LED Mini-grip is made from ABS plastic. It features a protective mini tube, a magnetic back for easy storage or hands-free use on metal surfaces, and a nylon wrist strap for portability. Three lighting modes (4 LED, 6 LED or both combined), a push button and power from 2 included AAA batteries make it a handy, low-maintenance accessory to carry in a pocket or toolkit. Lightweight and functional.

This custom / personalised mini torch with logo can be marked by laser engraving for a precise, long-lasting finish. Ideal for companies, sports clubs, associations, schools, events and private customers, it makes an excellent promotional gift. Our studio can retouch or vectorise your logo if required.
