DESCRIPTION

The Magnetica torch with pick-up function is a compact tool designed to locate small metal parts in tight or dark spaces. Made from ABS plastic and metal, it combines a bright torch with a telescopic magnetic pick-up to retrieve screws, nuts or other metal items without strain. Presented in a STAC gift box, it stores neatly and is maintained by wiping plastic and metal parts with a dry cloth to keep it working and looking good.

Offer this custom / personalised torch with logo using tampography or laser engraving to apply your branding. Ideal for companies, sports clubs, associations, events and private individuals, it makes a practical promotional gift that showcases your identity at trade shows, campaigns or giveaways.
