DESCRIPTION

The Frosty triangular ice scraper is designed to clear windscreens and windows efficiently thanks to its compact shape and large contact area. Made from recycled HIPS plastic, it features a speckled finish characteristic of the recycled material. Lightweight and easy to handle, it is simple to clean with water and stores conveniently in a glove compartment or storage pocket. A practical accessory to maintain good visibility during cold weather.

This custom / personalised triangular ice scraper with logo can be marked using Tampographie, Sérigraphie objet and Impression numérique to apply a logo or message. Ideal for businesses, sports clubs, associations, events and private individuals who want a useful, recyclable branded item reflecting their identity.
