DESCRIPTION

The Chilly ice scraper in recycled PET is designed to clear windscreens of ice and mist easily. Made in the United Kingdom from recycled HIPS plastic, it features a speckled finish that reflects the recycled material. Its compact shape gives a secure grip for effective scraping; robust yet lightweight, it is practical for winter use and easy to maintain—simply wipe clean after use.

This custom / personalised ice scraper with logo can be printed using tampography or digital printing across a large marking area. Perfect for companies, sports clubs, associations, events or individuals seeking a useful, eco-conscious promotional item.
