DESCRIPTION

The Anderson 12-function wooden tool is perfect for scouts, DIY enthusiasts and outdoor pursuits. Compact and sturdy, it features beechwood handles and stainless steel components for reliable performance and long-lasting use. The 12 functions include pliers, wire cutter, serrated blade, screwdrivers and bottle opener, presented in a recycled cardboard gift box. Care is simple: wipe metal parts and occasionally oil if needed, and clean the wood with a dry cloth to maintain its natural look. A handy, portable tool for everyday and outdoor use.

This custom / personalised tool with logo can be decorated using laser engraving, recommended for a refined and durable finish. Ideal for companies, sports clubs, associations, schools, youth movements and private customers looking for a practical personalised item for events, gifts or kit.
