Compact and sturdy, the 8-function Fixie wooden bike tool is built for cyclists who value reliability. Stainless steel components paired with beech wood handles deliver durability and a comfortable grip; the beech is sourced from more sustainable and socially responsible supplies. It unfolds to reveal eight essential tools (Allen keys 2–6 mm, Phillips and flat screwdrivers) and comes in a recycled cardboard gift box. Care is straightforward: keep dry and clean to maintain the wood and metal finish.
