DESCRIPTION

This compact, sturdy stainless steel multi-function tool features eight functions and clips conveniently to your keys so it's always at hand. Designed for everyday use, it provides a practical grip despite its small size and resists corrosion because of its stainless steel construction. Lightweight and discreet, it suits travel and a variety of tasks without being obtrusive. Simple care — a wipe and occasional check — keeps its appearance and functions in good order.

Offer this custom / personalised multi-function tool with logo using tampography, laser engraving, doming or digital printing, depending on the desired finish. Ideal for companies, sports clubs, associations, events or private customers looking for a useful, branded item. Our workshop can advise on logo placement and the most suitable marking technique.
