DESCRIPTION

The Rhea keyring with trolley token is a practical accessory designed to fit most supermarket trolleys, allowing you to unlock them without searching for a coin. Made from recycled aluminium, it is lightweight, durable and easy to maintain — a quick wipe keeps it clean. Its compact shape slips onto a keyring or into a pocket, providing a sustainable, everyday solution for carrying a trolley token.

Order a custom / personalised keyring with logo using our available techniques: tampography and laser engraving. Perfect for companies, sports clubs, associations, schools, events and individuals looking for a useful promotional item or a thoughtful gift.
