DESCRIPTION

The wooden Jumble stacking tower is a timeless indoor game, perfect for family game nights, parties or relaxed gatherings with friends. Crafted from pine wood and delivered in a cotton pouch, it provides a natural look and comfortable handling. The straightforward design focuses on dexterity and suspense: remove a block and replace it without toppling the tower. Easy to handle and maintain, this game suits convivial settings and playful environments.

Create a custom / personalised wooden Jumble stacking tower with logo using our available techniques: object screen printing, multicolour transfers and DTF printing. Ideal for businesses, sports clubs, associations, events, schools and individuals looking for a memorable gift or promotional item.
