DESCRIPTION

The Streaks 8-piece colouring set is made for children's creativity and event use: it includes 6 pencils, a sharpener and a colouring book. Constructed mainly from paper, the set is lightweight and easy to hand out at workshops, events or as a giveaway. Warning: not suitable for children under three — small parts and a functional sharp edge present a choking hazard. Care is straightforward: keep the set dry to protect the paper and colouring book.

This custom / personalised colouring set with logo can be printed on the set itself (not on individual components) using Digital Printing, Tampography, Screen Printing for objects or Doming. Perfect for companies, sports clubs, associations, schools, youth movements, events and private customers seeking a playful, useful branded item.
