## DESCRIPTION

The Fir colouring set is designed to spark children's creativity: it includes six coloured pencils, an eraser, a sharpener and 30 sheets (14 x 20.5 cm) across three different designs. Made from FSC-certified paper, it is a responsible choice. Suitable for school activities, parties and creative workshops. Not suitable for children under three years due to small parts and a functional sharp edge; use under adult supervision.

We offer custom / personalised colouring sets with logo using tampography, doming and digital printing, ideal for companies, clubs, associations, schools, youth movements, events and private customers who want a playful, personalised promotional item.
