Country of origin	Chine
Carton	1000 pieces

DESCRIPTION

The Ipe recycled RCS ballpen features a minimalist design made of only four parts (barrel, clip, spring and refill). Manufactured from recycled ABS plastic, it is lightweight and comfortable to hold for everyday writing. Blue ink with a long writing length and a 1.0 mm tip provides precise, smooth lines. No special maintenance is required; store the pen under normal conditions to preserve the refill.

Offer a custom / personalised pen with logo using suitable techniques: tampography, digital printing and screen printing on objects. Ideal for businesses, sports clubs, associations, events and individuals looking for a discreet, eco-conscious promotional item. We personalise each pen to your logo or message.
